Season Opener Information

Thursday, August 28, 6 p.m.

Please note the following changes to the gameday timeline at TCF Bank Stadium.

Gates Open: 4:30 p.m.

Kickoff: 6 p.m.

Tailgating: Starts at 2 p.m.

Parking: Reserved spaces in Gold, Gopher, and Minnesota will not be utilized for this game. Permits will still gain admittance to the lot.

No parking available at the State Fairgrounds. There will not be a shuttle from the Fairgrounds. Lot S108 passholders will be issued passes to park in Washington Avenue Ramp.

Tailgating Policies

Note – Violation of tailgating rules could result in fines and loss of game tickets and tailgating privileges.

Tailgating Hours

Policy – Tailgating may begin SIX hours before game time but no earlier than 7 a.m. Tailgating must end FOUR hours after game time or midnight, whichever comes first. All vehicles must leave the parking lots when they close at midnight. Surface lots will open 6 hours before kickoff.

NOTE: Tailgating for the Thursday night season opener starts at 2 p.m.

Reason – This timeline allows various campus entities to staff, prepare, and clean the tailgating areas before and after home games.

Tailgating Locations

Policy – Tailgate lots are designated on the parking map. These are the only lots in which tailgating is permitted. Green space within a parking lot or within 15 feet of a designated surface lot may be used for tailgating by the participants assigned to that lot. Tailgating is NOT permitted on any other University of Minnesota property, including parking ramps and garages.

Reason – This policy is intended to enhance the football game day experience, promote a safe campus environment, and preserve the beauty of campus.

Parking Spaces

Policy – A single parking permit gives you access to one parking spot. Saving spots for other motorists is not permitted.

Reason – Parking spaces are limited and it is important to make all spaces available for parking. Saving spots can make it impossible for late-arriving fans to maneuver into an open parking space.

Policy – Fans parking in Lot 37 will be directed to parking spaces based on the time they enter the parking lot, except for those customers within the first hour of official tailgating hours. Those customers arriving in the first hour will have the ability to choose any parking space located on the perimeter (Zone 1) of Lot 37 on a first-come, first-served basis. All interior parking spaces will be loaded in a pre-determined order. After the first hour, Lot 37 will be filled in numerical order starting with Zone 2.

Reason – It is necessary to ensure that public safety vehicles can access all areas of the parking lot and that pedestrians, tents and other tailgating accessories remain clear of moving vehicles.

Travel Aisles

Policy – Fans are not allowed to block travel aisles within the tailgate lots. Travel aisles will be maintained by security personnel.

Reason – These aisles must remain clear at all times for emergency and official vehicle access.

Prohibited Items / Actions

Policy – The following items and actions are not allowed in lots:

- Kegs, drinking game accessories, and large quantity or common source containers of alcoholic beverages.
- Glass containers of any kind.
- Open fires fueled by charcoal, wood, or other combustible materials.
- Disruptive music or noise.
- Couches or other large furniture items.
- Promotional or marketing activities without appropriate authorization from the University.
- Sale of products, food, or beverages except as authorized by the University.

Reason – These policies are in place to ensure the safety and enjoyment of all Gopher fans.

Permitted Actions / Items

Policy – The following items and actions are allowed in the lots:

- Gas grills with a maximum propane cylinder size of 20 pounds.
- Consumption of alcoholic beverages by person of legal drinking age, and in compliance with all applicable laws, city ordinances, and University policies.
- Portable outdoor furniture.
- Tents and awnings that do not block adjacent parking spaces, impede drive aisles, or require the use of stakes.
- Portable generators.

Campus Driving Tips to the Game

Directions to parking on campus are available online at <http://z.umn.edu/footballparking>. These driving recommendations are meant to help you navigate travel and road restrictions due to the game.

- Lots on the east side of the stadium are recommended to be accessed from Highway 280 and I-94, via University Avenue
- Lots and ramps on the west side of the stadium are recommended to be accessed from 35W via University Avenue
- Ramps near and south of Washington Avenue are recommended to be accessed from I-94 via Huron Boulevard

Driving Information After the Game

Some roads are restricted after the game and officers direct traffic to the freeways along a specific route. This helps to get fans off campus as quickly as possible.

- Lots on the east side of the stadium will be directed to leave campus eastbound.

University Avenue connects to Highway 280 and I-94 just southeast of campus.

- Lots and ramps west of the stadium will be directed to head west.

4th Street connects to I-35W within seven blocks of campus.

- Oak Street Ramp and part of Washington Avenue Ramp are directed to Huron Boulevard and the I-94 connection.
- East River Road Garage and Church Street Garage are directed to use the Washington Avenue Bridge to access the freeway system.

Specific parking locations have specific exit routes assigned to them to distribute the outbound traffic to help fans get off campus as quickly as possible. The map showing the exit routes for each parking facility can be found at

<http://z.umn.edu/footballparking>

Top 3 Parking Tips

1 – Arrive EARLY – Parking facilities will be open SIX hours before the game but not before 7 a.m. NOTE: Lots will open at 2 p.m. for the season opener (Thursday, August 28).

2 – Bring the correctly-dated parking pass with you to park in your season parking spot. DO NOT separate the two sections of the parking pass.

3 – Please park in designated lots or facilities provided for game-day parking. Illegal parking is strictly enforced, on and off campus, and is subject to tagging and towing at owner's expense.

Parking Options: Road and highway construction may alter travel routes. Check umn.edu/pts for the most current information.

Zero Waste at TCF Bank Stadium

What is the zero waste program?

In collaboration with ARAMARK, Marsden, and the University's sustainability office, TCF Bank Stadium aims to divert 90% + of all waste generated in the facility to recycling, composting, or reuse.

How can we achieve zero waste?

The work involves changes to infrastructure, operations, serviceware, and outreach. By using compostable food service items, modifying work practices, and sorting the post-consumer waste, more material is diverted from the trash and put to beneficial use.

Traditions

Maroon & Gold

In 1880, the University of Minnesota was preparing for spring graduation. For the previous 29 years, different graduation colors were used every ceremony. In the spring of 1880, President Folwell began a tradition of common school colors at the University. He asked an English instructor, Mrs. Augusta Smith, to select proper colors to use for graduation ribbons and other occasions. She chose maroon and gold, which made a favorable impression on the students and faculty in 1880. As the years passed and without any kind of formal action, maroon and gold became the official school colors.

Ski-U-Mah

This famous Minnesota phrase, pronounced SKY-YOU-MAH, is more than 115 years old. In 1884, two Minnesota rugby players, John W. Adams and Win Sargent, tried to think of a fitting team yell. They used the word "Ski", a Sioux battle cry meaning victory, and combined it with "U-Mah" (representing the University of Minnesota and rhyming with "rah-rah-rah") to create a team cheer. The phrase stuck and was incorporated into both official school songs, "Hail Minnesota" and more commonly in the "Minnesota Rouser."

The Gopher Nickname

The Gopher mascot is a tradition as old as the state. Minnesota was tabbed the "Gopher State" in 1857 after a satirizing cartoon, depicting nine Gophers with the heads of local politicians pulling a locomotive, was published. The story was over legislative action for a \$5 million railroad proposal in western Minnesota. Later, the University picked up the nickname.

The "Golden" Gophers

The "Golden" adjective has not always been a part of the Gopher nickname. During the 1930s, the Gophers wore gold jerseys and pants. Legendary KSTP-AM radio announcer Halsey Hall coined the term "Golden Gophers" in reference to the team's all-gold attire on the field. From 1932-41, Minnesota compiled an impressive record, losing only 12 games in the 10-year span and winning seven Big Ten titles and five national championships — a true "golden" decade of Gopher football.

The Minnesota Rouser

The "Minnesota Rouser" is one of two official school songs at the University of Minnesota. It was written in 1909 by Floyd M. Hutsell in response to a contest sponsored by the Minneapolis Tribune. The contest was judged by University President Cyrus Northrop and Governor A.O. Eberhart, with the winner receiving \$100. The Rouser is sung at Gopher sporting events, along with the other official University song, "Hail! Minnesota."
